

# OK LINNÉ

Pre-race info for international Trail-O event  
Saturday September 23. 2006

- Assembly** Sävjaskolan. A control flag will be located along road 255, 6 km south of Uppsala, exit Sävja S. For directions, go to [kartor.eniro.se](http://kartor.eniro.se) and search for "Västgötaresan 133, Uppsala".
- Parking** At the school.
- Course lengths**
- |        |       |                      |        |       |
|--------|-------|----------------------|--------|-------|
| Pre-E: | 1390m | <b>Maximum times</b> | Pre-E: | 90min |
| Pre-A: | 1020m |                      | Pre-A: | 83min |
- Map and terrain** Part of Uppsala IFs map Norra Lunsen, Scale 1:5.000. Contour interval 2m. Modified for Trail-O 2006. Laser printed.  
**NB!** Due to the nearness of residential areas there can be small paths that are not on the map. If nothing else is indicated, only the main track/road along the course may be used. All other paths are prohibited area but will not be marked as such along the course. **NB!**
- Pre-start** 12:30 at the competition centre. Follow the trail marked with blue stripes 700m to the start where a new start time will be given. Timed controls will be along the track to the start.  
After the Nordic Teams have passed the timed controls the officials will have a 15min break.
- Timed controls** In Pre-E the instructions will only be given in English as follows:  
  
There are four control flags.  
Alfa, Bravo, Charlie, Delta.  
Time starts now!  
  
Or  
  
The same four control flags.  
Time starts now!
- After the finish** Follow the trail marked with blue stripes 900m back to the competition centre. Hand over the control card at the competition centre.
- Service** Smaller kiosk and toilet.
- Officials**
- |                   |                                     |
|-------------------|-------------------------------------|
| Director:         | Eva Fredholm 0706-39 51 81.         |
| Planner:          | Tage Nilsson 070-587 57 17.         |
